

COURT REPORT TO THE ALABAMA LAW ENFORCEMENT AGENCY
Ignition Interlock Device Requirement
DEFENDANT'S DECLARATION OF NO VEHICLE

The following person is required to install and maintain an approved Ignition Interlock Device; however, the defendant **does not have a vehicle** for purposes of installing the Ignition Interlock Device.

The offender is not required to install an ignition interlock device. However, their license will remain suspended for the duration of their interlock period and the offender will be required to pay \$75 a month to the clerk's office for the duration of their interlock period.

The following person is required to install and maintain an approved Ignition Interlock Device; however, the Court has determined that there is not an approved Ignition Interlock Provider within a fifty (50) mile radius of either the person's residence or place of business or employment.

The offender is not required to install an ignition interlock device. However, their license will remain suspended for the duration of their interlock period and the offender will be required to pay \$75 a month to the clerk's office for the duration of their interlock period.
